Strengthening Volunteer Boards

As a board member of a non-profit organization, have you ever wondered ...

- **What are my legal and ethical responsibilities?**
- **What role do I play in governing our organization?**
- **How can our board organize its work fairly and efficiently to avoid volunteer and staff burnout?**
- **How can we develop policies that will help us make consistent decisions?**
- **How can we encourage teamwork between the board and staff?**

If you're a new board member wanting to learn more about your role, or an experienced board member wishing to enhance your skills and work effectively as a team member, this workshop is for you.

Workshop content will focus on incorporated and non-profit organizations and is not appropriate for advisory boards.

Sponsored by:

The Board Development Program, Alberta Culture and Community Spirit, The Resource Centre for Voluntary Organizations, Grant MacEwan University, MacEwan's School of Business and The Muttart Foundation.
